United States Olympic Gold Medal Coach

Dear Denny,

I think of you often ...you are a key reason both Cody and Mac are thriving.

Cody graduated from Princeton, 3x All American in volleyball there and a history major, and is now in his 5th year of pro volleyball in Germany – playing for the #1 team in the Bundesliga there, Berlin Recycling

Makenzie graduated cum laude from Bowdoin. What a great school, like a CC but in Maine, after playing volleyball there too. She then spent 2 years teaching at the Asian Pacific School on the north shore in Hawaii, living like 200 yards from the beach. Her summers she spent guiding kids, in Costa Rica, Chile, New Zealand, Canada, and heck, even trips up Kilimanjaro.... She really is the outdoor one of the duo following in her grandpa's footsteps (he lived on Yosemite's valley much of his childhood, and knew Ansel Adams well).

Just wanted to again say that, and that you have impacted many tens of thousands more thru my blog and clinics. There are Denny sprinkles in every session as I see it.

Carpe diem,
J

Harvard University Grad-Math Teacher!

Hi Denny,

Of all the classes I've taken... or people I've known.... there are none who have had as great an impact on me as you.

Thanks,

Dear Fellow Educators,

BIG Celebration of Denny and High Trust!

Denny has had an extraordinary impact on my 32-year career in education! His timeless and practical strategies have been invaluable in enhancing my ability to teach and lead. Whether as a teacher, principal, district administrator, or now as a superintendent, I have consistently applied Denny's insights to foster meaningful connections with students and colleagues of all ages.

Beyond my professional life, Denny's wisdom has profoundly influenced my personal life as well. Both my life partner, an educator, who has also benefited from Denny's workshops, and I have drawn on his expertise to strengthen our relationship and raise our two daughters. In fact, our eldest, now a middle school science teacher, will be taking Denny's class in January 2023. We are excited!

With joy,
Dr. David Peak, Superintendent, Cheyenne Mountain SD

PS His impact truly spans generations!

Dear Denny,
In Schweinfurt, Germany, at a DoDEA school, I was extremely fortunate to participate in a weekend workshop you led. The experience literally changed my life, both personally and professionally. These words don't begin to capture the depth of my gratitude,.... Elizabeth Brencher

Thank you!
