Denny,

Thank you for the multitude of gifts you have given to teachers, and thank you for coming to Thompson Falls.

I have seen a fire in my dad like never before after taking your class, and I wanted to be a part of it. This year has had trials and obstacles like any year, but I have been able to set better boundaries and have been motivated to find more solutions. Last year I got over my insecurities and pushed through excuses. I am halfway through reading the Bible, which I've always put off. I taught an after school youth group at our church. I jumped into teaching a Zumba class. My kids deserve a healthier me.

THANK YOU.

I can't wait to help guide High Trust into inspiring our whole community.
