Dear Denny,

Thank you for being so brilliantly insightful, intelligent, positive, passionate, inspiring, interesting, talented, energetic, and motivational. Because of you, my life has taken on a whole new positive energy. Your class has provided me with a more optimistic and solution-oriented direction than any other class or counseling session ever has. Thank you for sharing your insight and Theory of Trust Psychology. Thank you for all of your hard work and putting it in writing. You are changing the world in a positive way and influencing others to be their positive, gifted, loving selves. The value of your class and theory is immeasurable. It is said that the true value or success of something is revealed through its actual results or experience and that's what your class is – beyond calculable worth. The proof is in your stories and the experiences of teachers and people putting your High Trust theories and thinking into practice.

High Trust is #invaluable #priceless #precious #effective #positive.

Sincerely;

Kaiya Frickle

Dear Dynamic Dennis!

Wow! Wow! Wow!

What an absolute honor & privilege to be with you this week in Billings! Please tell Louisa thank you for this time she was away from you. ☺

I am currently reading a book called *A Beautiful Mystery*, about talking to my daughters about modesty. There are some parallels in the book with what you've shared this week.

"Marvels are marvelous things. Astonishing, amazing, impossible things they are. They make people stop what they are doing and stare in open-mouthed wonder. When their mouths begin to work again, they go around telling everyone what they saw."

So much relation: Matthew 9:32-33, Matthew 12:22-23, *Exodus 4:11-12, Luke 1:64, 1 Peter 2:15

Thank you for creating space this week for moments of marvel (lots of them!) I enjoyed getting to know you, about your sweet & precious

family & the gift God has given you to share with others, stories filled with growing moments & astonishment that made my mouth drop with influence and which stoked the fire that the Lord has lit inside me to be diligent about filling my ARFF, so that I may support our family in the importance of filling theirs! ♥

Too much praise & marvel to shames as I sit in it all like a washing machine cleaning out the old and bringing in shiny new ways of positive thinking.

I would like to share one of my Wednesday homework jokes as I related it to what we learned that day - sick people aren't after me, only themselves ... here goes.

"What does a nosey pepper do?"

Answer: It gets jalapeño business Ha! Ha! ☺
(I hope you heard that in my best spanish accent?!)

"Mary Poppins' life was one never-ending marvel..." from *A Beautiful Mystery*. Your modeling this has made a lifetime impact, heavenly timed.

Dennis, your love of people, life (pause) and bacon will continue to be a bright light of Jesus, Everywhere you go!! Forever grateful, Aisha Lesyinski

another amazing
year! This class
fills my bucket and
makes me fall in love
with teaching all
over again! Thank
you for allowing Ridger
to participate as well!
